All Things Work together for good

**Pastor John arrested
Kasese South West Uganda**

Daniel and Rob are in Kasese, as I write this update, to meet with Pastor John who runs a grassroots Independent Church and who is looking at leadership development and reaching out for mission. On the day they arrived Pastor John had been arrested and spent the night in prison because of an unpaid Church debt, the responsibility of which lay with him. He took the opportunity to preach to the inmates and pray for them and many repented and gave their lives to Christ. Pastor John was released the next day after the Church had a whip round to raise the money owed and returned to the prison with Rob and Daniel to visit the inmates and pray with them. Rob in his usual style went up to the prison desk with Pastor John and said to the police "I have brought back the escaped man" which was followed by great laughter from the prison warders who have asked us to pray for them as well. As a result of Pastor John's arrest and a night inside prison he now has a whole new perspective on prison ministry and will be running a weekly meeting in the prison. The inmates want to "come home to the Church" a home they have never had.

It's going up

Rev Paul is very excited for the community. The Ndejje Resource project has changed lives already in the village. The project is giving the people Hope for the future, Medical help and a Centre to belong to, also the hope of work with us to raise their standard of living. It will also be the centre for SEAN Uganda TEE

Rob said, "They have been marking out the footings for the Medical centre and as soon as this was done the usual gang of 12 men were there, picks and shovels in hand, excited about getting another day's work. As soon as the Foreman said 'go', it was like seeing a flock of 12 woodpeckers all hammering into the ground"

Yes that is Rob in the background, the one with the white hair wielding a pick axe!!!

Daniel and Rob, with Pastor John released, have been able to run the discipleship training workshop for the Church to enable them to use the SEAN courses to train intercessors and the mission team of his Church. Over 30 people attended including two eight year old boys doing the study with their dad. They are hungry for Bible study and will need books printed in Luganda and English. On their way back to Kampala Rob and Daniel will be visiting Perez who is a regional coordinator for SEAN Uganda TEE and a SEAN group in Mbarara. Then on their return to Entebbe will be handing out certificates to more SEAN students, pictures will appear in Issue 4.

We are in urgent need of funds for printing more books in Luganda and English for Kasese Church and also for the Prisoners who will be doing the SEAN Life to the Full Course.

Financial need £2,000.00.
